None to report.

II. OTHER ACTIVITIES

1. [REDACTED] has discussed with me the possibility of his being attached to SIC Staff in a semi-trainee status after January 1960. I certainly would welcome such an arrangement, in the belief that he could be of considerable assistance to us after a relatively short period of training, particularly in our covert tutorial program.

2. With reference to the memo received in the Director of Training's office from G-2 requesting "area briefings" on Ethiopia and Viet-Nam similar to those given to the Panama-bound officers, we have forwarded copies of the memo to [REDACTED] of FI Staff, who apparently was somewhat annoyed that the request hadn't originally been directed to him, and a program is being developed by [REDACTED] and [REDACTED]. A firm schedule hasn't been worked out. As soon as it is, probably early next week, SIC will prepare a memo for Director of Training's signature.

3. [REDACTED] who returned from Maxwell this morning, feels that his presentation at the Air War College was a very successful one. The class appeared to be enthusiastic and kept him busy for a full three hours.

[REDACTED]
voluminous reports for SR. However, I have asked them both to remind the Chief of SR-10 that they are committed to return to SIC by 1 October, at which point they will be sorely needed here.
